

Performing Arts and Dance Discovery Program

The Academy offers children age 6 – 8 a full day arts immersion program. Children will discover the many joys and beauty that dance and performing arts offer. From learning different styles of dance, arts and crafts, story telling, acting and music, young children will have a chance to experience the life of a young artist.

The Program is offered in two 3-week sessions. Participants will also have the option of doing just one or two weeks. At the end of each session, the parents are invited to observe their children in small performance.
