

Junior Intensive Program

Our Junior Intensive is a concentrated fast track program highlighting our regular class offerings. Offered in both the Elementary (ages 8-11) and Intermediate (ages 12-15) levels, students are offered a chance to experience a dancer's professional life. Call it a "ballet boot-camp" as students are given world-class instruction in Ballet, Jazz, Hip Hop, and Musical Theater.

A short in-studio sneak peek at the end of each session highlights this wonderful intensive.
