

Tutus & Tiaras Tiny Tots Program

The Academy offers young children a chance to live their fairytale dreams. Children ages 3 to 5 will take an age appropriate ballet class, create ballet-oriented crafts and discover how ballet dancers tell stories with pantomime. During these classes, the children will discover the magical stories of fairy tale ballets such as Cinderella, The Sleeping Beauty, and other time-honored classics. At the end of the week, the parents are invited to observe their children in small performance.
